**PETITION TO ACCEPT DECLARATION ON BEHALF OF AN UNWILLING
INVENTOR UNDER 37 C.F.R. 1.47(a) AND RESPONSE TO NOTICE TO FILE
MISSING PARTS OF APPLICATION-FILING DATE GRANTED**

Applicants hereby petition the Commissioner to accept a Declaration in this matter under 37C.F.R. §1.47(a) and respond to the Notice to File Missing Parts of Application dated August 24, 1999. One of the inventors in this matter has refused to cooperate with the continued prosecution of the application. Grounds for this Petition are as follows:

- The instant application was filed with the U.S. Patent and Trademark Office on October 24, 1997, without an executed Declaration.
- After receiving a Filing Receipt, the next communication from the Patent and Trademark Office was a Notice of Abandonment mailed on January 21, 1999. The Notice of Abandonment stated that the application was abandoned for failure to timely or properly reply to a Notice to File Missing Parts mailed on February 20, 1998.
- In response thereto applicants filed a Petition to Withdraw Holding of Abandonment on the grounds that the Notice to File Missing Parts was never received in applicant's attorney's office. That Petition was granted on August 20, 1999.

- A Declaration was prepared and sent to the inventors in April, 1999. In the four months since that time, one of the inventors has steadfastly refused to cooperate with the continued prosecution of the application.
- The Declaration of Clinton H. Hallman, Jr. of the law firm of Rhodes & Mason, P.L.L.C. and of John E. Holland, President of the assignee of the application are being filed concurrently herewith in support of Applicants' Petition.

Accompanying this petition are the following documents:

1. An executed declaration by the signing co-inventors, John E. Holland and Connie Holland, on their behalf and a declaration on behalf of David V. Cunningham, the non-signing co-inventor.
2. Proof of David V. Cunningham's refusal to sign the application by way of two declarations of facts in support of filing on behalf of an omitted or non-signing inventor;
3. A copy of the Assignment of the present application by all three inventors to the Assignee, H & S Manufacturing, Inc.;
4. Power of Attorney;
5. Form PTO 1533; and
6. Statement Claiming Small Entity Status; and
7. A check in the amount of \$675.00, which includes the requisite petition fee of \$130 under 37 C.F.R. §1.17(h), the basic filing fee of \$480.00, and the surcharge fee of \$65.00 for late filing of declaration.

If any fees in addition to those accompanying the Petition and form PTO 1553 are required, the Commissioner is hereby authorized to charge them to deposit account 18-1164.

Respectfully submitted,

A handwritten signature in cursive script that reads "C. Robert Rhodes".

PETITION TO WITHDRAW HOLDING OF ABANDONMENT

Applicant hereby petitions the Commissioner for revival of the above-identified patent application. The Notice to File Missing Parts in this application was never received by Applicant or Applicant's counsel. Grounds for this Petition are as follows:

- ◆ The instant application was filed with the U.S. Patent and Trademark Office on October 24, 1997. The application was filed without an executed Declaration. Further, the application was filed without an Assignment and Power of Attorney.
- ◆ A review of the file has indicated that the last communication Applicant's counsel received from the Patent and Trademark Office in this application was the Filing Receipt acknowledging receipt of the application.
- ◆ After being notified that a Notice of Abandonment had been received in this application, the undersigned immediately contacted his docketing clerk with a request that the mail logs be searched for a Notice to File Missing Parts in the instant application.
- ◆ As set forth in the accompanying Declaration of Shirley Davis of Rhodes, Coats & Bennett, L.L.P., no Notice to File Missing Parts was received by Applicant's counsel.
- ◆ This Petition is accompanied by an executed Declaration, Assignment and Power of Attorney.

- ♦ The Declarations of Clinton H. Hallman, Jr. of the law firm of Rhodes, Coats & Bennett, L.L.P. and of Shirley Davis, of the same law firm, are being filed concurrently herewith in support of Applicant's Petition.

The reason for failing to respond to a Notice to File Missing Parts, as fully set forth in the accompanying Declarations, provide an adequate basis for the withdrawal of the holding of abandonment of the instant application.

If any fees in addition to those accompanying the Petition are required, the Commissioner is hereby authorized to charge them to Deposit Account 18-1164 and consider this a petition therefor.

Respectfully submitted,

Clinton H. Hallman, Jr.
